SP-3-T-A

Maximální bodové hodnocení: 59 bodů

Hranice úspěšnosti: 44 %

1. Základní informace k zadání zkoušky

Didaktický test obsahuje **37 úloh**.

Časový limit pro řešení didaktického testu **je uveden na záznamovém archu**.

Povolené pomůcky: psací potřeby a individuální kompenzační pomůcky.

U každé části je uvedeno bodování dané části a jedné úlohy z této části, například **10 bodů / 2 body** znamená, že za celou část můžete získat nejvýše 10 bodů a za jednu správně vyřešenou úlohu získáte 2 body.

Za nesprávnou nebo neuvedenou odpověď **se neudělují záporné body**.

U uzavřených úloh je **právě jedna odpověď správná**.

2. Pravidla správného zápisu odpovědí

Povoleno je psací i tiskací písmo a číslice. Při psaní odpovědí rozlišujte velká a malá písmena.

Nejednoznačný nebo nečitelný zápis odpovědi bude považován za chybné řešení.

Zvolte si, zda budete své odpovědi **zapisovat**

- **do záznamového archu,**
- **do testového sešitu,**
- **do počítače,**
- **na volné listy papíru** (jsou součástí záznamového archu).

Zvolenou variantu zápisu odpovědí **není možné** v průběhu zkoušky **měnit**.

Dodržujte následující **pokyny** pro zápis odpovědí.

Pokyny pro zápis odpovědí do záznamového archu

Pište **modře nebo černě** píšící propisovací tužkou, která píše **dostatečně silně a nepřerušovaně**.

U **uzavřených úloh** zřetelně zakřížkujte odpověď, kterou považujete za správnou, v příslušném poli záznamového archu, a to přesně z rohu do rohu podle obrázku, například takto:

| | A | B | C | D |
|---|--------------------------|--------------------------|-------------------------------------|--------------------------|
| 1 | <input type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> |

Pokud budete chtít následně zvolit jinou odpověď, pečlivě zabarvete původně zakřížkované pole a zvolenou odpověď vyznačte křížkem do nového pole, například takto:

| | A | B | C | D |
|---|-------------------------------------|--------------------------|--------------------------|--------------------------|
| 1 | <input checked="" type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

Pokud zakřížkujete v jedné úloze **více než jedno pole**, bude vaše odpověď považována **za nesprávnou**.

U **otevřených úloh** pište odpovědi čitelně do **vyznačených bílých polí**.

7

Pokud budete chtít následně zapsat jinou odpověď, pak původní odpověď **přeškrtněte** a novou odpověď zapište do stejného pole. Vaše odpověď **nesmí přesáhnout** hranice vyznačeného pole.

Poznámky si můžete dělat do testového sešitu, nebudou však hodnoceny.

Pokyny pro zápis odpovědí do testového sešitu

Na testový sešit **přepište ze záznamového archu** svůj **identifikační kód** a napište své **jméno a příjmení**.

U **uzavřených úloh** zakroužkujte odpověď, kterou považujete za správnou, například takto:

- D)

Pokud budete chtít následně zvolit jinou odpověď, pečlivě zabarvete původní volbu a zakroužkujte nově zvolenou odpověď, například takto:

- A)
-
- C)
- D)

Pokud zakroužkujete v jedné úloze **více než jedno písmeno**, bude vaše odpověď považována **za nesprávnou**.

U **otevřených úloh** je místo pro odpověď označeno takto:

Odpověď: _____

Poznámky si můžete dělat do testového sešitu mimo místa vyhrazená pro zápis odpovědí, nebudou však hodnoceny.

Pokyny pro zápis odpovědí do počítače a na volné listy papíru

Do prázdného textového souboru na počítači **přepište ze záznamového archu** svůj **identifikační kód** a napište své **jméno a příjmení**.

TEXT 1**The Weather**

Last week, Judy was staying at the summer house with her parents and brother. When they arrived on Monday, Judy's father cut the grass. As it was cloudy all day, the weather was perfect for working in the garden. The next day, the weather didn't change and Judy's mother could clean the pool. Everybody was hoping for sunny weather because the whole family wanted to enjoy their time in the pool. Unfortunately, the weather got worse on Wednesday and it was very windy. Then it was raining until the end of the week, so Judy spent most of the time inside the house playing board games with her brother.

A Picnic

(written by Veronica)

My friends Ashley and Keith invited me for a picnic last weekend. I was happy they brought some fresh fruit and I could have something healthy at the picnic. I know Ashley loves sweets, so I didn't forget to take a box of chocolates with me. She ate half of the box immediately. My friends say I make the best sandwiches, but they had to prepare them themselves for our picnic because I was busy. I was surprised how many they brought and that the sandwiches were excellent. Afterwards I was thirsty and drank some juice. We had only one bottle to share because Keith didn't want to carry more to the picnic, but it was enough.

Hi Larry,

How are you? I'm afraid you'll have to go fishing by yourself tomorrow morning. I won't be able to join you because I'm going hiking tomorrow. I'm leaving at noon and I'm going to spend the rest of the day in the mountains. Hiking is good for my health. I haven't packed my bag yet, but I'm going to do that tonight. There'll be no time for packing tomorrow as I'm going to buy a pair of leather hiking boots before I leave. They'll be on sale. Anyway, enjoy the fishing and I hope you'll catch a lot of fish!

Bye,

Roger

TEXT 4

Hi Gordon,

Thanks for helping me paint the living room! I'm glad the walls are finally a different colour than white. Grey looks lovely in that room, doesn't it? I moved the furniture back because the paint was already dry. As you can see in the photo I'm sending, I have a new coffee table. It's also wooden like the square coffee table that was there before. However, this one is round and leaves more space in front of the sofa. The only thing I'm missing in the living room is an armchair. Maybe you could give me some advice on what armchair I should get.

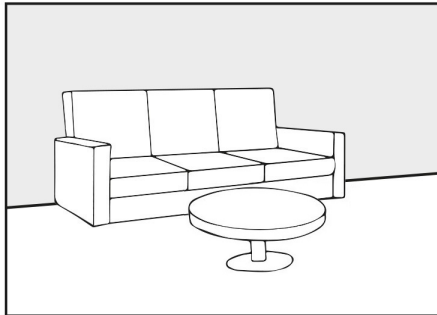

Thanks,

Lucas

A Football Match

Aaron went to see a match of his favourite football team yesterday evening. The football stadium is in the city centre, which is a bit far from his house. As Aaron hates driving in the city traffic, he didn't think of going to the stadium by car. The fastest way to get there is by bike, but Aaron was worried about cycling in the dark. So, he decided to take a tram instead. The journey didn't take too long and it was safer than riding a bike. To return to his place, Aaron had to walk, as there weren't any trams going that late. He felt quite tired after going on foot.

Boston Central Library

Welcome to one of the oldest public libraries in America. The Boston Central Library is located in two beautiful buildings. The classical **McKim Building** is in Dartmouth Street. It was

started in 1888 and was completed seven years later, in 1895, when the library there was finally opened. In that year, people could choose from nearly 450,000 books to borrow. The modern **Johnson Building** is around the corner in Boylston Street and opened in 1972. Now, the Boston Central Library has over 20 million books and other materials to lend.

The **McKim Building** includes some wonderful art and architecture. The famous Bates Hall is still used for studying and reading. It has high ceilings and windows with green curtains. The lamps of the same colour, together with the brown bookcases, look unusual.

The **Johnson Building** offers a variety of books on the first and second floors. The CDs and DVDs are on the second floor, next to the room where you can find magazines. On the third floor, you can borrow newspapers and maps.

Guided Tours of the Library:

Come for a guided tour of the library. You do not need a ticket, but please bring your library card because you need it to join the tour. The tour begins daily in front of the Johnson Building and ends in nearby Copley Square.

My Friend Claudia

(written by Sandra)

Claudia and I are best friends. We are in the same class at secondary school and we sit at one desk together. We actually met before we started studying at secondary school because we shared a hobby. We both like athletics and were members of a popular sports club. We've known each other since then. We don't go to that sports club anymore, but we still spend time with each other after school. Last time Claudia and I went out, we were at the birthday party of one of our classmates. It was the first birthday party where we could stay until midnight.

Claudia is an excellent student and she passes most of her exams without any trouble. She's very good at history. We have a great teacher who can explain historical facts in an interesting way. However, Claudia doesn't enjoy history as much as geography. She loves learning about foreign countries and always gets the best marks in geography. The only subject Claudia likes even more than geography is biology. She wants to study it at university in the future.

We often have a lot of fun. Claudia laughs when she listens to my stories and says that I'm a funny person. Claudia and I are both careful people and try not to make mistakes. We think carefully about what we're doing. That's why it took Claudia so long to find a boyfriend. Now she feels really sure that she's found the right one. His name is Sebastian. Claudia told me that her boyfriend's very kind and he's always ready to help her.

We're now preparing for the final exam, which we'll have soon. Claudia and I have already discussed our plans for the summer. Claudia was thinking of taking a language course in July, but then she changed her plans. She saw an interesting job offer on the internet and decided to earn some money. So, she's going to work in a café in the summer, except for July. That's when she's going to travel with her boyfriend. He invited Claudia to go camping in the countryside and she agreed. I hope she'll have a good time.
