Časový limit pro řešení didaktického testu je **uveden na záznamovém archu.**

Povolené pomůcky: pouze psací potřeby a individuální kompenzační pomůcky.

U každé části je uvedena váha části/úlohy v bodech, například:

10 bodů / 2 body znamená, že v celé části můžete získat nejvýše 10 bodů a za jednu správnou odpověď získáte 2 body.

V uzavřených úlohách je **právě jedna odpověď správná.** Za nesprávnou nebo neuvedenou odpověď **se neudělují záporné body.**

2. Pravidla správného zápisu odpovědí

Pište **modře nebo černě** píšící propisovací tužkou, která píše **dostatečně silně a nepřerušovaně.**

Povoleno je psací i tiskací písmo a číslice. Při psaní odpovědí rozlišujte velká a malá písmena.

Nejednoznačný nebo nečitelný zápis odpovědi bude považován za chybné řešení.

Zvolte si, zda budete své odpovědi **zapisovat**

- **do záznamového archu,**

Pokud budete chtít následně zvolit jinou variantu odpovědi, pečlivě zabarvěte původně zakřížkované pole a zvolenou odpověď vyznačte křížkem do nového pole, například takto:

	A	B	C	D
4	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Pokud zakřížkujete v jedné úloze **více než jedno pole**, bude vaše odpověď považována **za nesprávnou**.

U **otevřených úloh** pište odpovědi čitelně do **vyznačených bílých polí**.

8	<input type="text"/>
----------	----------------------

Pokud budete chtít následně zapsat jinou odpověď, pak původní odpověď **přeškrtněte** a novou odpověď zapište do stejného pole. Vaše odpověď **nesmí přesáhnout** hranice vyznačeného pole.

Poznámky si můžete dělat do testového sešitu, nebudou však hodnoceny.

A Dinner

(written by Angelina)

My grandparents are coming for dinner tonight. Last time they were here, I baked pizza with mushrooms. Tonight, I'm going to make something else because pizza is quite difficult to prepare. I would like my grandparents to try my favourite dish, which is rice with vegetables. I often have a bowl of rice for dinner because it's healthy. However, I know that my grandpa would prefer a bigger meal such as chicken and chips. So, I'm going to make that. I hope that this evening I'll remember to ask my grandma how to prepare her special pasta with cream sauce. I'm planning to cook it for them as a surprise next time.

Sports

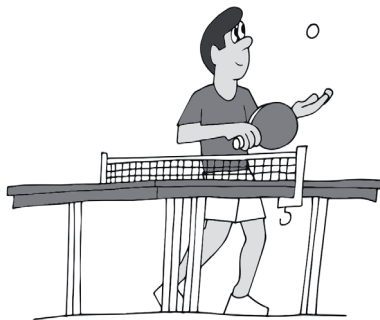

(written by Toby)

I do various sports activities. Once a week, I go to the sports centre for a game of table tennis with my best friend. As I almost always lose, I enjoy table tennis less than my school sports. Not long ago, I joined the school baseball team. Everyone says I'm excellent at hitting the ball with a bat. I'm glad my team wins most matches. I also play football for the school club. What I especially enjoy about it is the practice we have at the city stadium. Football is great fun, but I don't like it as much as baseball. The only sport that I actually hate doing is cycling because it's too boring for me.

Buying a Present

(written by Lindsay)

It's my sister's birthday soon and I finally got a present for her. I know that my sister's boyfriend bought her a beautiful silver ring. My sister loves jewellery, so it's a great gift. Soon, she may need to buy a new jewellery box where she can keep all her jewellery. I'm sure she would like to choose it herself. I decided to give my sister a pair of sunglasses because she borrows mine and it bothers me. I found some cool ones in a shopping centre. When I was going to the cash desk to pay for them, I saw a leather handbag on sale. I bought that too, but for me. It's light and I can easily carry it in my hand.

Hi Ralph,

How are you? I hope you didn't forget about our language project in the library tomorrow. I will also have to return some heavy books there, so I would prefer to meet you somewhere else than at the bus stop. It's too far from the library. I remember that you are planning to pick up your new credit card from the bank at noon. I can wait for you there. It's on my way. Let me know if you agree. And when we finish our project in the library, we can stop at our favourite café for a snack.

See you tomorrow,

Kimberly

Frank's Afternoon

Yesterday was a busy day. When Frank got home in the afternoon, his wife told him to check the bathroom door because it was hard to open. Repairing the door didn't take him long, so afterwards he wanted to wash the car. It was very dirty. But before he could even start cleaning it, his daughter came to him for help with her homework. She didn't understand some of the exercises in the workbook, so Frank explained to her what to fill in. Then he was really tired and the last thing he did yesterday afternoon was to put his shirts in the washing machine.

My Job

(written by Margaret)

I finally finished my university studies in the winter and got a job. Before I passed the final exam, I was looking for a job on the internet. I checked a few websites and was upset because I found nothing interesting to me. My classmate told me about an information board in the university hall where people put notices with job offers. That's where he found out about his job. I decided to read some job advertisements in the newspaper instead and it wasn't a bad idea. I saw an exciting job offer there and I took it. Now I work for an international company and earn good money.

When I came to work on the first day, the secretary showed me my office and she printed some documents for me. Afterwards one of my colleagues explained to me how to make phone calls to the company's customers. Then I tried it myself while the colleague was listening to the calls. It was quite easy. I also wanted to learn how to answer customers' emails. However, I couldn't write any emails because my email address wasn't ready yet. I had to wait for it until the next day.

I like the people I work with. I share my office with two colleagues, Lily and Evan. Once a week we have our department meeting with the boss. His name is Peter. We often laugh during the meetings because Peter always tells us great stories. He's such a funny person. However, he wants us to work hard and do everything quickly. When I need help with something, I can ask Evan. He's so kind and gives me good advice. Lily works really hard. She's a very careful person and never makes a mistake.

I'm glad the company prepares various activities for the staff. We had a spring party in April. We played games outside and enjoyed fantastic food. During the last weekend of May, the company organised a running race for us. Each runner got a water bottle as a surprise. Unfortunately, I wasn't able to join the race because I went on a business trip that weekend. I hope I won't have to go on another business trip in June when there is a big company dinner. I don't want to miss it.
