**Holiday by the Sea**

Phil and Claire were on holiday from Monday to Sunday last week. They drove to a well-known town by the sea. On the first day of their holiday, Phil and Claire went sightseeing. As it was cloudy, the weather was perfect for that type of activity. On Tuesday, it was very windy, so they spent the whole day in a museum. Fortunately, the next day, the weather changed and it was sunny until Friday. That was great. Phil and Claire could finally lie on the beach and swim in the sea. For the weekend, they were planning a boat trip, but it was raining both days so they stayed in the hotel.

### New Furniture

Last month, Simon moved into his new flat and needed to buy some furniture. He didn't want to spend too much money on it so he bought almost everything in the sales. He got a small leather sofa for quite a low price and a wooden bookcase. He paid a little less for it than for the sofa. Simon then visited a popular shop with modern furniture and chose a nice coffee table. It wasn't the cheapest thing that he bought, but he really liked it. The piece of furniture that cost the most was a beautiful old lamp, which he ordered from abroad.

Hi Sandra,

I'm so excited about going to watch the new film together tomorrow! Everyone says that it is brilliant. I know that you wanted to meet at the train station, but isn't it too far from the cinema? The film starts at half past six. I remember that you have a language class until six o'clock tomorrow. I can wait for you in front of the school building after you finish your lesson. Let me know if you agree. And on the way to the cinema, we can stop at our favourite café for a quick coffee.

See you tomorrow,

### Adam's Birthday

It was my brother Adam's birthday yesterday. We celebrated with close family and a few of his friends. They had a great present for him. Adam loves photography so he was pleased with the new camera from them. I hope that he'll lend it to me sometimes because I'm interested in taking pictures as well. In fact, I received a nice photo album from him on my last birthday. Our parents gave Adam a beautiful knife. He often goes camping and a knife will be useful. My present was a big surprise for Adam. I gave him ice skates. He has never tried ice skating, but he's planning to learn how and I decided to teach him. He's lucky he has a sister like me!

This morning will be busy. Early in the morning I'm going to the dentist's so I must brush my teeth really well before the appointment. The dentist is going to check my teeth and I hope they will be healthy as I don't eat any sweets. Afterwards, I'm going running in the city park. I enjoy that type of exercise a lot. ## Greenhills Farm

Greenhills Farm lies near the market town of Keswick in the Lake District National Park. There are sixteen main lakes in the park, including the largest lake, Windermere. The farm is on the east side of a lake called Thirlmere, not far from the mountain of Skiddaw.

Greenhills started as a sheep farm in the early 19<sup>th</sup> century. Now, we also keep cows and horses, and we offer rooms in two guest houses. Between 2001 and 2003 Byrne House was repaired and changed into a guest house with four bedrooms. Herdwick House was built and opened on the western corner of our farm in 2005. Two years later, we opened a tea room in a small farm building next to Herdwick House.

GREENHILLS FARM GUEST HOUSES	ROOM TYPES AND PRICES		
	Single room	Double room	Family room
<b>Byrne House</b> (1 single room, 1 double room, 2 family rooms)	£85	£95	£135
<b>Herdwick House</b> (1 single room, 5 double rooms)	£80	£90	—

All the rooms in both houses have a private bathroom and they offer amazing views of the lake. From the family rooms guests can also enjoy pretty mountain views.

### Tea Room:

The tea room is open to all visitors daily from 8 a.m. to 5 p.m. We serve breakfast, lunch and snacks. For breakfast you can try our homemade cheese and yogurt. For lunch we prepare fresh salad. To keep it fresh, it is only available at lunchtime. During the whole day you can choose from various sandwiches and fruit cakes as well.

### Tour of the Farm:

If you are interested in farm life, you can join us from Monday to Friday at 8:30 a.m. for a farm tour. On Saturday and Sunday, the tour starts at 9:30 a.m. Each tour takes about 45 minutes and begins at the vegetable garden. We will show you our animals and farm buildings.

### Guided Walks:

In summer we organise guided walks of different levels of difficulty for our guests.

**Castlerigg walk:** a hard walk in the hills to the stone castle at Castlerigg, includes a visit to the castle and travelling by coach on the return journey, 15 kilometres, 5 hours.

**Helvellyn walk:** the most popular walk, but also the most difficult one, takes you to the top of Helvellyn mountain (950 metres high), 12 kilometres, 6 hours.

### Working with Books

Diane works for a large company which publishes<sup>1</sup> books. It's a perfect job for her because she loves reading. She works in the history book department and chooses interesting writers for her company. She reads a book and then writes a text where she describes positive and negative things about the book for her boss. Sometimes she also helps her colleague who looks for good horror books. These are Diane's favourite books and she reads them a lot at home. Nearly everybody in Diane's department is crazy about fantasy books, which are the bestselling ones, but she thinks that they are boring.

Diane spends most weekdays in her office. Every Monday and Wednesday she reads books by new authors. On Tuesdays she has a meeting with colleagues from her department where they discuss the latest books. On Thursdays Diane does most of her computer work. She writes emails to her boss and to her new writers. Every Friday morning Diane goes to a big company meeting with the boss and then in the afternoon she emails comments to the new writers about their books.

Each year, the company organises several activities for readers. There was a conference in March about electronic books and digital libraries, where Diane gave a short presentation. During the second weekend of April, visitors could meet famous writers and buy their books at a traditional book festival. Unfortunately, Diane wasn't able to go to the festival this year because she was helping at a competition for young writers that weekend. The three best authors won a great prize: the company will publish their books in June!

Diane also dreams about writing her own stories one day. She talked about this plan with her colleague Jill, who gave her some good advice because she writes stories for an online newspaper. Jill thinks that Diane should try to write a book of short stories, as they are very popular today. Diane doesn't really want to write a whole book of short stories. Her idea is to send her stories to her favourite magazine. She still prefers printed texts.
