Hranice úspěšnosti: 44 %

1. Základní informace k zadání zkoušky

Didaktický test **obsahuje 37 úloh.**

Časový limit pro řešení didaktického testu je **uveden na záznamovém archu.**

Povolené pomůcky: pouze psací potřeby a individuální kompenzační pomůcky.

U každé části je uvedena váha části/úlohy v bodech, například:

10 bodů / 2 body znamená, že v celé části můžete získat nejvýše 10 bodů a za jednu správnou odpověď získáte 2 body.

V uzavřených úlohách je **právě jedna odpověď správná**. Za nesprávnou nebo neuvedenou odpověď **se neudělují záporné body**.

2. Pravidla správného zápisu odpovědí

Pište **modře nebo černě** píšící propisovací tužkou, která píše **dostatečně silně a nepřerušovaně**.

Povoleno je psací i tiskací písmo a číslice. Při psaní odpovědí rozlišujte velká a malá písmena.

Nejednoznačný nebo nečitelný zápis odpovědi bude považován za chybné řešení.

Zvolte si, zda budete své odpovědi **zapisovat**

- **do záznamového archu,**
- **do testového sešitu,**
- **do počítače,**
- **na volné listy papíru** (jsou součástí záznamového archu).

Zvolenou variantu zápisu odpovědí **není možné** v průběhu zkoušky **měnit**.

Dodržujte následující **pokyny** pro zápis odpovědí. Jakýkoli **jíný způsob zápisu odpovědí a jejich oprav** bude považován **za nesprávnou odpověď**.

Pokyny pro zápis odpovědí do záznamového archu

U **uzavřených úloh** zřetelně zakřížkujte odpověď, kterou považujete za správnou, v příslušném poli záznamového archu, a to přesně z rohu do rohu podle obrázku, například takto:

	A	B	C	D
4	☐	☐	☒	☐

Pokud budete chtít následně zvolit jinou variantu odpovědi, pečlivě zabarvěte původně zakřížkované pole a zvolenou odpověď vyznačte křížkem do nového pole, například takto:

	A	B	C	D
4	☒	☐	☒	☐

Pokud zakřížkujete v jedné úloze **více než jedno pole**, bude vaše odpověď považována **za nesprávnou**.

U **otevřených úloh** pište odpovědi čitelně do **vyznačených bílých polí**.

8	
---	----------------------

Pokud budete chtít následně zapsat jinou odpověď, pak původní odpověď **přeškrtněte** a novou odpověď zapište do stejného pole. Vaše odpověď **nesmí přesáhnout** hranice vyznačeného pole.

Poznámky si můžete dělat do testového sešitu, nebudou však hodnoceny.

TEXT 1**Going to School**

Phil lives in a village and studies maths in a nearby town. In the morning, he goes to school by train because it's fast. But he returns by bus as there is no train in the afternoon. Yesterday, he woke up late and missed the morning train, so he took a bus to school. It wasn't very comfortable because the bus was crowded and slow. But it was better than riding his bike, as the weather was cold and rainy. For the journey home, Phil's older classmate Julia offered to drive him there. Phil went with her and was glad because he was too tired to go home by bus as usual.

Shopping for Clothes

Nora went to a shopping centre to buy some clothes for an important business meeting. There was a lovely skirt on sale, but Nora wasn't interested in it because she never wears a skirt to work. She tried on a pretty dress in the colour she likes. Unfortunately, it was too large and the shop assistant couldn't find it in a smaller size. Then Nora saw a pair of nice trousers, which were perfect in size, so she got them. And the trousers didn't cost a lot of money. For the meeting, Nora is planning to put them on with her favourite blouse, which she received on her birthday.

Dear Isabella,

How are you? I'm happy it's Friday because I feel tired after a busy week. I'm going to watch my favourite programme on TV tonight. It's a good way to relax. Do you have any plans for the weekend? My mum asked me to help her with some plants tomorrow, so I'm going to work in the garden the whole day. And I remember that you wanted to study for your exams on Saturday. But I'd love to see you at the weekend, so what about doing something together on Sunday? We could go to the fitness centre and get some exercise. It's important to keep fit.

Take care,

Claire

At the Party

My name is Jason and last night my friends invited me to a party. David brought his new camera and I borrowed it. I took some interesting photos of the party guests dancing, especially Kevin. He was moving his arms in a funny way and hit an empty glass on the table. It broke into pieces. An unpleasant thing happened to me while I was dancing, too. I lost my watch, but my best friend Ryan found it later under a chair. After dancing, I was showing Kevin some games on my mobile phone, but I wasn't holding it carefully and the phone fell to the floor. I was upset because it stopped working. Fortunately, I could still use my watch to tell the time.

TEXT 5

Hi Anthony,

I'm sure you know that I was looking for a room to rent. Well, I finally found one. It's on a busy street with many tall buildings around. However, the view from my window is more pleasant, as you can see in the photo. The park looks really beautiful, doesn't it? My room is also very nice. I'm glad that all the furniture is white because I have never liked dark colours. The only thing I'm missing in my new place is a desk lamp so I'm going to buy one tomorrow. Do you want to join me?

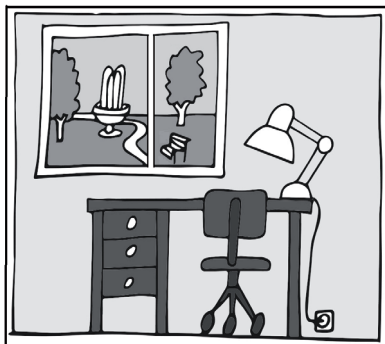

Bye,

Jennifer

Přečtěte si Dannyho vyprávění o jeho strýci Jackovi. **Na základě informací v textu vyberte** k úlohám **14–17** vždy **jednu** správnou odpověď **A–C**.

My Uncle Jack

When our teacher asked us to write about an interesting member of our family, I chose my uncle Jack. I'm his only nephew¹ and we are close to each other. Jack is my father's youngest brother and for some time he lived in our house with us. Then he went to university in the capital, where he shared a large flat with a few friends. When he moved back here, he didn't want to live with us again, so he rented a flat in our street, just next to our house. As we are neighbours now, we meet quite often.

My uncle Jack has always been interested in film and theatre, but he decided to study the same subject as my father and grandfather. They are both architects. It was a mistake because all the drawing classes at university were too boring for Jack. He loves being among people and I wasn't surprised that he started working in a theatre café as a waiter right after his studies. He earned enough money and met a lot of famous people there. One of the guests then offered him a job in a small theatre company and so my uncle became an actor. I have seen him in several plays and he was excellent.

Jack is an active young man and he has many hobbies. Every week he plays tennis in a sports club. I always go there with him, but I'm not as good at tennis as he is, so he wins most of our matches. We also go swimming once a week, which is my favourite sport, and we have a lot of fun. At weekends, Jack invites his colleagues from work and they watch films together. I never join them because that's when I do homework.

Not long ago, Jack met a nice girl called Sheila and now he's in love with her. They are going to have their wedding soon. Jack had to change his plans for October because that's when Sheila is going to become his wife. Before he knew her, he was planning to make a new film for TV with his theatre company in October. But we are going to have a great family celebration instead. A month later, Jack and Sheila are flying to Australia, so his TV job will have to wait.
