SP-3-T

SP-3-T-A

Maximální bodové hodnocení: 59 bodů

Hranice úspěšnosti: 44 %

1. Základní informace k zadání zkoušky

Didaktický test **obsahuje 37 úloh.**

Časový limit pro řešení didaktického testu je **uveden na záznamovém archu.**

Povolené pomůcky: pouze psací potřeby a individuální kompenzační pomůcky.

U každé části je uvedena váha části/úlohy v bodech, například:

10 bodů / 2 body znamená, že v celé části můžete získat nejvýše 10 bodů a za jednu správnou odpověď získáte 2 body.

V uzavřených úlohách je **právě jedna odpověď správná.** Za nesprávnou nebo neuvedenou odpověď **se neudělují záporné body.**

2. Pravidla správného zápisu odpovědí

Pište **modře nebo černě** příslí propisovací tužkou, která píše **dostatečně silně a nepřerušovaně.**

Povoleno je psací i tiskací písmo a číslice. Při psaní odpovědí rozlišujte velká a malá písmena.

Nejednoznačný nebo nečitelný zápis odpovědi bude považován za chybné řešení.

Zvolte si, zda budete své odpovědi **zapisovat**

- **do záznamového archu,**
- **do testového sešitu,**
- **do počítače,**
- **na volné listy papíru** (jsou součástí záznamového archu).

Zvolenou variantu zápisu odpovědí **není možné** v průběhu zkoušky **měnit.**

Dodržujte následující **pokyny** pro zápis odpovědí. Jakýkoli **jiný způsob zápisu odpovědí a jejich oprav** bude považován **za nesprávnou odpověď.**

Pokyny pro zápis odpovědí do záznamového archu

U uzavřených úloh zřetelně zakřížkujte odpověď, kterou považujete za správnou, v příslušném poli záznamového archu, a to přesně z rohu do rohu podle obrázku, například takto:

	A	B	C	D
4	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Pokud budete chtít následně zvolit jinou variantu odpovědi, pečlivě zabarvěte původně zakřížkované pole a zvolenou odpověď vyznačte křížkem do nového pole, například takto:

	A	B	C	D
4	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Pokud zakřížkujete v jedné úloze **více než jedno pole**, bude vaše odpověď považována **za nesprávnou**.

U otevřených úloh pište odpovědi čitelně do **vyznačených bílých polí**.

8	<input type="text"/>
----------	----------------------

Pokud budete chtít následně zapsat jinou odpověď, pak původní odpověď **přeškrtněte** a novou odpověď zapište do stejného pole. Vaše odpověď **nesmí přesáhnout** hranice vyznačeného pole.

Poznámky si můžete dělat do testového sešitu, nebudou však hodnoceny.

Pokyny pro zápis odpovědí do testového sešitu

Na testový sešit **přepište ze záznamového archu svůj identifikační kód** a napište své **jméno a příjmení**.

U **uzavřených úloh** zakroužkujte variantu odpovědi, kterou považujete za správnou, například takto:

- A)
- B)
- C)
- D)

Pokud budete chtít následně zvolit jinou variantu odpovědi, pečlivě zabarvěte původní volbu a zakroužkujte zvolenou odpověď, například takto:

- A)
-
- C)
- D)

Pokud zakroužkujete v jedné úloze **více než jedno písmeno**, bude vaše odpověď považována **za nesprávnou**.

U **otevřených úloh** je místo pro odpověď označeno takto:

Odpověď: _____

Poznámky si můžete dělat do testového sešitu mimo místa vyhrazená pro zápis odpovědí, nebudou však hodnoceny.

Pokyny pro zápis odpovědí do počítače a na volné listy papíru

Zapisujete-li své odpovědi do prázdného textového souboru na počítači, přepište ze záznamového archu svůj identifikační kód a napište své jméno a příjmení.

Odpovědi zapisujte vždy tak, že napíšete číslo úlohy a k němu zvolenou variantu odpovědi, nebo její slovní řešení, například takto:

1) A (u uzavřených úloh) nebo **8) school** (u otevřených úloh).

Poznámky si můžete dělat do testového sešitu, nebudou však hodnoceny.

TEXT 1**Hobbies**

(written by Bridget)

I do various activities in my free time. I always read a book in the evening. It's quite pleasant, however, it's not as much fun as my other hobbies. What I really enjoy doing is playing the piano. When I was a child, I hated practising any musical instrument, but that changed. The only activity I actually like doing more than playing the piano is dancing. I love moving my body to the music. I'm glad my boyfriend often goes dancing with me. We sometimes play computer games together as well. That is my boyfriend's favourite hobby, but it's a bit boring for me.

TEXT 2

Hi Dominic,

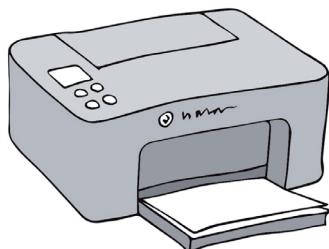

I've just returned from the department store where I bought a new mouse for my computer. My old mouse was broken and our online course is starting soon. I remember that you were looking for a new keyboard. Well, I think you should buy it in the department store because they have great discounts on keyboards. It's a pity that printers aren't cheaper too, but I'll get one there anyway. The prices in the department store aren't so high. The only problem is that they don't sell any PC screens, so I'll have to buy it somewhere else. Do you know of a good computer e-shop where I can get a wide PC screen? Thanks for your advice.

Going to Work

Nathan works for an international company in a big city. If the weather is good, he sometimes rides a bike to his office. That keeps him fit. But Nathan usually goes to work by train because that's the easiest way. Yesterday, he woke up late and missed the morning train. Nathan hates driving in the city traffic, so he didn't think of going by car. As it was too foggy for cycling to work, he took a bus instead. It wasn't very comfortable because the bus was crowded. But it was safer than riding a bike in the fog. The roads were quite empty and the journey didn't take long.

TEXT 4

Hi Jonas,

I'm sorry, I can't go to the climbing club with you today because my hand hurts. But don't worry, it's not from climbing the difficult wall there yesterday. I had a small accident while I was tidying the garage. I was putting some heavy boxes on the shelf and one of them fell on my hand. I felt a terrible pain. Unfortunately, it happened before I could cut the trees in the garden. Now I must find somebody who will help me do it. My hand still hurts, so I won't be able to prepare the barbecue I invited you for tonight. What about going to a pub instead? Let me know.

TEXT 5

Hi Jenny,

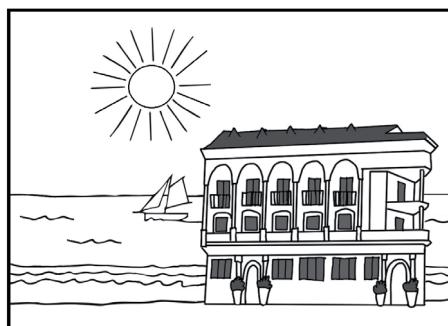

I'm sending you a photo from my holiday. I took the picture from the window of my hotel room yesterday when I arrived here. I'm staying at a wonderful place which is close to the sea. Several of the hotel rooms have a view of the beach. However, the view from my window is different, as you can see in the photo. The mountains are beautiful, aren't they? I enjoy looking at them a lot. There are a few hotels around, but I'm happy I can't see any buildings from my window. That's all for now, I'm going out in a moment. It's finally sunny today! It was raining the whole day yesterday, so I stayed inside. What are you doing? Write me back.

At a New School

(written by Fiona)

My family and I moved to a small town last year, and I had to start going to a new school. I still remember my first day at the new school. While I was waiting inside the building, I could see that some of the pupils looked bored. I was there with my younger brother, Ethan. We were both worried about studying at a school where we didn't know any classmates. That changed after the first week and I started feeling happy because I met new friends.

Most of my teachers are nice. My favourite teacher teaches maths, chemistry and physics. I have never got bad marks in chemistry, but this subject isn't easy for me and I have to study hard. Maths is less difficult for me and I pass all my exams without any troubles. I like how the teacher explains everything in a clear way. In physics we learn about things that I sometimes don't understand so easily. This subject is even harder for me than chemistry because we often work on group projects and I have to do a lot of homework.

What I really love about my new school are the class trips and excursions. The most exciting place we have visited was a farm where we went last month. We studied animals and enjoyed the fresh air. This month our teacher wanted to go with the whole class to a museum which is showing some famous paintings. However, many of my classmates were missing, so the teacher took us to a library instead. We borrowed some books and magazines there. I hope we'll go to the museum when everyone is back at school.

I'm glad I made some good friends in my class. My best friend's name is Lucy and we sit at the same desk. Today we were talking about our plans for the summer. My best friend found an interesting job offer on the internet, so she's going to earn some money. I'm not going to work in the summer because I'm planning to travel with my friend Melissa. She would like to go hiking in the countryside and enjoy the summer without working. I'm also going to get some rest in the summer, as this school year has been very busy for me.
