Maximální bodové hodnocení: 59 bodů

Hranice úspěšnosti: 44 %

1. Základní informace k zadání zkoušky

Didaktický test obsahuje **37 úloh**.

Časový limit pro řešení didaktického testu **je uveden na záznamovém archu**.

Povolené pomůcky: psací potřeby a individuální kompenzační pomůcky.

U každé části je uvedeno bodování dané části a jedné úlohy z této části, například **10 bodů / 2 body** znamená, že za celou část můžete získat nejvýše 10 bodů a za jednu správně vyřešenou úlohu získáte 2 body.

Za nesprávnou nebo neuvedenou odpověď **se neudělují záporné body**.

U uzavřených úloh je **právě jedna odpověď správná**.

2. Pravidla správného zápisu odpovědí

Povoleno je psací i tiskací písmo a číslice. Při psaní odpovědí rozlišujte velká a malá písmena.

Nejednoznačný nebo nečitelný zápis odpovědi bude považován za chybné řešení.

Zvolte si, zda budete své odpovědi zapisovat

- **do záznamového archu,**
- **do testového sešitu,**
- **do počítače,**
- **na volné listy papíru** (jsou součástí záznamového archu).

Zvolenou variantu zápisu odpovědí **není možné** v průběhu zkoušky **měnit**.

Dodržujte následující **pokyny** pro zápis odpovědí.

Pokud budete chtít následně zvolit jinou odpověď, pečlivě zabarvete původně zakřížkované pole a zvolenou odpověď vyznačte křížkem do nového pole, například takto:

	A	B	C	D
1	☒	☐	☒	☐

Pokud zakřížkujete v jedné úloze **více než jedno pole**, bude vaše odpověď považována **za nesprávnou**.

U **otevřených úloh** pište odpovědi čitelně do **vyznačených bílých polí**.

7

In the second lesson, his classmates took a physics exam, which he has to take on another date. In the last lesson, the teacher gave the students a chemistry exam. It wasn't easy, but Noah answered most of the questions and believes that he won't fail it. A few days ago, he got a bad mark in a maths exam because he didn't study for it. Hi Gabby!

How are you? I've found out that you have a new job – congratulations! I'm sure that being a nurse is hard, but I hope you enjoy your work at the hospital. I'm still working abroad. When I came here, I got a job on a farm. I love looking after animals, so working as a farmer was great. Then I moved to a different town and I started working as a waitress. However, I need a change. I don't want to serve food at the restaurant anymore. I've already told my boss that I'll leave. I'm now looking for a job as a shop assistant in a pet shop.

Write me back!

Making Soup

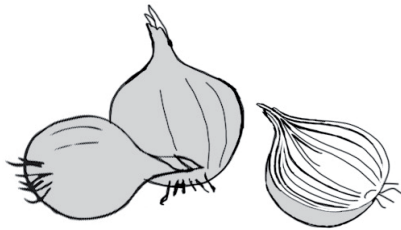

(written by Jessica)

I'm going to make carrot soup for lunch and I have almost all the vegetables I need for it. I usually buy carrots at the market and that's where I got these ones for the soup too. Making it is easy. I cut some onions and garlic and I cook them in a little oil. I grow garlic in the garden, so I never have to buy it. I also add carrots and small pieces of potato. My neighbour recently gave me some potatoes, so I'll only have to buy one type of vegetable. I thought I had some onions at home, but I was wrong. The soup will certainly be delicious.

TEXT 4

Hi Beth,

Thanks for helping me choose the garden furniture for my balcony. It was a good idea to buy it in a different colour than white. The dark grey doesn't get dirty so easily. As you can see in the photo I'm sending, the table is perfect. You were right, the round table we looked at was too big. It's just a pity that this square one wasn't on sale, but it fits well.

And it leaves enough space for the plant that I would like to put on the balcony. After I do that, you must come for a visit.

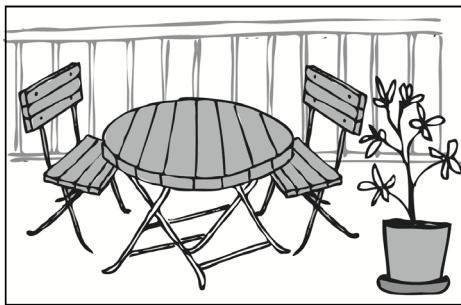

Bye,

Kate

Yesterday Evening

When Samuel returned home yesterday evening, he was a bit tired. His dog was jumping at the door and was ready for a walk. Samuel asked his sister to walk the dog because he wanted to relax. He was thinking of playing video games when his girlfriend called. She invited him to a disco. As Samuel preferred to stay at home, she went dancing alone. He then tried to turn on the computer, but it was broken, so he decided to read a book instead. However, he didn't enjoy reading as much as he enjoys playing video games.

Holiday in the Countryside

(written by Patrick)

I'm spending my holiday in the countryside with my family. We're staying in a lovely guest house in a small village. My room is comfortable and there is a large bed under the window. When I wake up, I have an amazing view of green forests. I like looking at them a lot. The only thing I enjoy even more here is the breakfast. Each morning, the owner serves eggs, sausages and orange juice in the dining room. It gives me energy for the day. The guest house is great. It's just a shame it has no swimming pool because I love swimming.

Yesterday, we rented bikes and went on a cycling trip. We rode past a pretty lake on quiet cycle paths. The water was very clean and not too cold. We planned to stop there for a swim on the way back from the old castle we were cycling to. The castle was on a hill and we took several photos of it. We had a picnic in the grass as well. Before we returned to the lake, we visited a farmers' market to get some fresh fruit. It was a wonderful trip.

This morning, everybody was tired after the trip except for me. That's why my parents and sister stayed in the guest house and played board games. That was a bit boring for me. The sun was shining and I wanted to go cycling. I didn't know where my bike was at first and I was afraid that it was lost. When I finally found it inside and opened the door to go out, I was really surprised. The weather was much worse and not nice at all, so I spent the morning with my family.

We are now discussing what to do tomorrow. My sister would love to go horse riding at a farm near here. However, she agreed to go on a different day and join me tomorrow because I'm going hiking. I checked my map app and there are some beautiful fields in the area perfect for hiking. I hope to see some cows and sheep. My mum is going with us and my dad is doing something else tomorrow. He actually prefers fishing to hiking. I'm sure we'll all have another great day in the countryside.
