SP-3-T-A

Maximální bodové hodnocení: 59 bodů

Hranice úspěšnosti: 44 %

1. Základní informace k zadání zkoušky

Didaktický test obsahuje **37 úloh**.

Časový limit pro řešení didaktického testu **je uveden na záznamovém archu**.

Povolené pomůcky: psací potřeby a individuální kompenzační pomůcky.

U každé části je uvedeno bodování části/úlohy, například:

10 bodů / 2 body znamená, že v celé části můžete získat nejvýše 10 bodů a za jednu správnou odpověď získáte 2 body.

Za nesprávnou nebo neuvedenou odpověď **se neudělují záporné body**.

U uzavřených úloh je **právě jedna odpověď správná**.

2. Pravidla správného zápisu odpovědí

Povoleno je psací i tiskací písmo a číslice. Při psaní odpovědí rozlišujte velká a malá písmena.

Nejednoznačný nebo nečitelný zápis odpovědi bude považován za chybné řešení.

Zvolte si, zda budete své odpovědi zapisovat

- **do záznamového archu,**
- **do testového sešitu,**
- **do počítače,**
- **na volné listy papíru** (jsou součástí záznamového archu).

Zvolenou variantu zápisu odpovědí **není možné** v průběhu zkoušky **měnit**.

Dodržujte následující **pokyny** pro zápis odpovědí.

Pokyny pro zápis odpovědí do záznamového archu

Pište **modře nebo černě** píšící propisovací tužkou, která píše **dostatečně silně a nepřerušovaně**.

U **uzavřených úloh** zřetelně zakřížkujte odpověď, kterou považujete za správnou, v příslušném poli záznamového archu, a to přesně z rohu do rohu podle obrázku, například takto:

	A	B	C	D
1	☐	☐	☒	☐

Pokud budete chtít následně zvolit jinou odpověď, pečlivě zabarvete původně zakřížkované pole a zvolenou odpověď vyznačte křížkem do nového pole, například takto:

	A	B	C	D
1	☒	☐	☒	☐

Pokud zakřížkujete v jedné úloze **více než jedno pole**, bude vaše odpověď považována **za nesprávnou**.

U **otevřených úloh** pište odpovědi čitelně do **vyznačených bílých polí**.

7	
---	---

Pokud budete chtít následně zapsat jinou odpověď, pak původní odpověď **přeškrtněte** a novou odpověď запиšte do stejného pole. Vaše odpověď **nesmí přesáhnout** hranice vyznačeného pole.

Poznámky si můžete dělat do testového sešitu, nebudou však hodnoceny.

Pokyny pro zápis odpovědí do testového sešitu

Na testový sešit **přepište ze záznamového archu** svůj **identifikační kód** a napište své **jméno a příjmení**.

TEXT 1**Family Dinners***(written by Laura)*

Every weekend, I visit my parents for dinner. We often have vegetable salad because it's healthy. When I was a child, I hated vegetables, but that changed. The only dish I actually like more than salad is pasta. It's easy to prepare and I eat it with various sauces. My mother sometimes bakes homemade pizza. I quite enjoy the one with mushrooms and I'm planning to learn how to make it. Once a month, we order food from a restaurant that is well known for serving excellent hamburgers. That's my father's favourite food, but I always choose something else because I don't eat meat.

Hi Fiona,

How are you? I know that we planned to go running in the park tomorrow morning.

Unfortunately, I won't be able to join you because I'll have a busy day at work tomorrow.

There'll be a meeting in our company where I'll show some new documents to the department staff and explain what to do with them. I haven't printed the documents yet, so I'll do it in the morning. There'll still be some time for that because the meeting starts at noon. And after the meeting, I'll call my boss to discuss some important news.

Anyway, enjoy running!

Joseph's First Flat

Joseph bought a small flat last week. There was already some furniture in the flat and he decided to keep most of it except for a big lamp. He would like to sell it because it's not useful for him. When Joseph moved in, he had to buy a new bed because the one in the flat was broken. In the furniture shop, he saw a nice shelf which he wants to get, too. It's cheap and Joseph needs a place for his books. Next week, he's having a party in his flat. He's going to borrow two chairs from his neighbours as he doesn't have enough for all the guests.

Hi Vanessa,

I'm sending you a photo from yesterday's trip to the castle where I went with my wife and son. When we arrived, it was raining so we went inside the castle for a guided tour. It's such a beautiful place! I was a bit sad that we couldn't cross the famous wooden bridge next to the castle. It's closed this year because they are repairing it. After the tour, it was sunny and my wife decided to take some pictures. As you can see, she's missing in the photo because she was taking it with her new camera. Isn't she a good photographer?

Take care,

Howard

A Journey to Work

(written by Arthur)

Yesterday wasn't my best day. In the morning, I left my office keys at home, so I had to return for them. Then I hurried to catch the train. As it was snowing, I was wearing my gloves. I took them off on the train and put them in my coat pocket, where I also had my wallet. During the journey, I tried to text my colleague, but I couldn't turn on my mobile phone. I was so upset. Before I got off the train, I put on my gloves and then I stopped for some coffee on the way to my office. When I wanted to take the wallet out of my pocket to pay, it wasn't there. I'm sure it fell out of my pocket while I was getting the gloves.

Oakfield Zoo is home to more than 1,500 animals. It has three parts. The most visited part of the zoo is Wild Africa with its lions and elephants. It was built in 1993, only two years after the Asian Forest. That is the part of the zoo where you can watch our popular panda bears. The newest part of the zoo, Bird World, was added in 1997.

There are two entrances to Oakfield Zoo. The main entrance is at the North Gate where you will find the ticket office and the gift shop. The side entrance is at the West Gate. The easiest way to get to our zoo is on bus number 70, which stops at both entrances. You can also take bus number 46; however, that one only goes to the West Gate.

Studying English Abroad

(written by Felix)

English has always been my favourite subject and this year I decided to improve it in a language course in Great Britain. My best friend went to a well-known school in Cambridge last year, so he gave me some useful advice about studying abroad. I discussed my study plans with my parents. They certainly didn't want me to study in London, as courses in the capital are very expensive. I'm glad that my teacher told me about an excellent school in Brighton, which organises courses for students of all levels. So that's where I'm studying and I'm really enjoying it here.

We have classes every weekday. The school day begins with a speaking class. I'm a little afraid of speaking in front of other students, so this class isn't easy for me. Sometimes I have a problem understanding my classmates because they speak too quickly. The reading class is less difficult for me as I like reading books in English. The teacher also brings fun magazines into classes so we are never bored. After lunch we have a writing class where we practise writing emails or short stories. This class is even harder for me than the speaking one because the teacher gives us a lot of homework.

At weekends we do various free time activities. I spend a lot of time with my new friends, Christina and Marco. Marco loves cycling, so almost every weekend we borrow bikes and go cycling. As the weather was bad last weekend, we decided to try an indoor activity instead. Christina's idea was to go climbing at a sports centre near our school. I was excited about trying this sport. It was great fun. When we returned from there, it was late and we had no time to play board games. It was a pity because I like playing board games with my friends a lot.

Today we took an important language exam. I prepared well because I want to pass the exam. Before I entered the classroom, I was worried as usual. That changed when I sat down at the desk and the exam started. I was surprised because I knew the answers to most of the questions. The exam was long and I felt quite tired after it. Some of my classmates are worried about failing the exam, but I believe I'll get a good mark!
